

Our new **RenWeb School Management Software** gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

RenWeb ParentsWeb is a private and secure website that has been set up for our school to allow you to see complete information specific to your child. You can view your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- Go to the TVA website at www.thevailacademy.org
- Click on the "RenWeb Parent Link" on the right side of the page.
- Click on the "First Time Users" tab. (far right tab)
- Log in as follows:
 1. Type in the email address that you **provided to the school.** (**see note below)
 - Click "New Parent Login" if you have not logged into RenWeb before.
 - You will be emailed a new password within 3 minutes (to the email address you typed in, which must be the same email address that you provided to the school).
 2. Type in the password assigned.
- To access grades, click "Classrooms." This will bring up all classes in which your child is enrolled at the school.
- Click on "Homework Summary" or "Gradebook Summary" at the top of the column for each child.
- You can access other school information including a family directory, school calendar and lunch ordering!

We look forward to your participation. Together, we can continue to improve our children's academic development as well as communication at school and at home.

*****Please note – you cannot login to RenWeb with any email address other than the one provided to The Vail Academy. Please call the school office if you wish to register another or additional email addresses with the school.**
