

Stanford Achievement Test Series, 10th Edition TVA Comparison, Spring 2007

Source:
Assoc. Christian Schools International

Grade equivalent for
TVA students:

1 = 2.8	5 = 9.1
2 = 3.6	6 = 9.2
3 = 5.3	7 = 9.9
4 = 6.6	8 = 10.3

The above represents results for the Complete Battery in Average Grade Equivalent of U.S. students taking the Stanford Achievement Test in the spring of 2007.

The average grade equivalent scores for students at The Vail Academy compare well with their counterparts in other Christian schools across the United States. However, without exception, TVA scores exceed national public school scores.

While this data is significant please be reminded that it is a “snapshot” of how students at The Vail Academy compare with their peers in the U.S.A.

You can be proud. We are. But only getting better is good enough!
